Two steps and you're up:

A caring
relationship plus
a job, lifts a
gang member
from the street
into a life of
hope and
success.

Employers Wanted.

We take donations of cars
in good running condition.

We pass those cars on to
young men and families in
need of transportation who
have proven themselves
worthy.

Odd Jobs Needed.

It only takes about \$5,000
per year to guide and assist
one young man. Your gift
goes a long way!

Thank you for
giving monthly!

Cambodia Corner

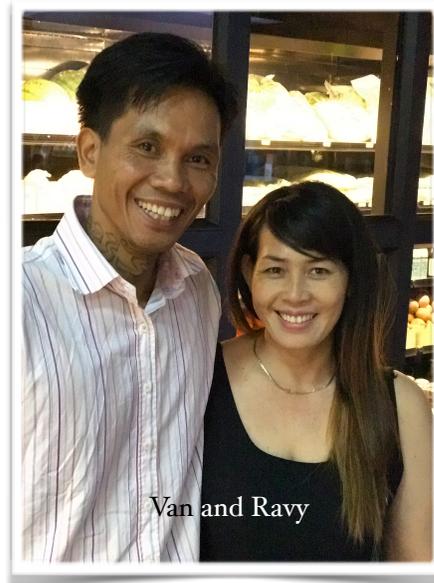

Our international ministry to deported young men from the United States to Cambodia. To find out more, visit our webpage at <https://hopenowforyouth.org/about-us/hope-now-cambodia/>

Six months ago, we expanded our ministry in Cambodia to include the northern city of Battambang. Our newest staff member's name is Van Veth. Two years ago the United States deported him. Van became a Christian and is now a changed man. He (along with his wife Ravy) helps young men like himself find hope through Jesus Christ.

You can read his story on my website: <https://rogerfeenstra.com/2017/04/25/god-is-real/>.

Van is in need of transportation to call on and assist young men in the outlying countryside. He either walks to his destination or rents a ride on a moto (motorcycle) or a tuk-tuk (cart pulled by a moto) for longer journeys. Hope Now pays for his transportation, but he can only travel pending availability of a driver. We would like to purchase a motorcycle for Van. For \$3,500 we can buy a 2017 Honda PCV 150cc. It gets 100 miles per gallon! This is a nice motorcycle with enough power to move through the busy streets and get him to his destinations.

If you can help with this project, you may donate online by going to www.hopenowforyouth.org and clicking "Donate."

Van and Ravy

On that page you will see "Cambodia Motorcycle." By entering an amount in the box it will ensure your gift goes to that project. You may also mail a check to us. Be sure to indicate what your gift is for. Any amount raised above the designated amount will be used for our Battambang Cambodia ministry, i.e., motorcycle, helmet, gasoline, etc.

Thank you for considering being a part of this project. I plan to take the funds to Cambodia when I travel there on October 16. I will be with Van when he makes the purchase. Photos will be posted on my website and Hope Now's site.

This month our executive director will travel to Cambodia to see the work there and encourage our staff. You may follow his travels at www.rogerfeenstra.com.
